REACH ANNEX XVII DECLARATION**Concerning the Product (trade name): SABIC® PP 37M10R - 00900**

Please note carefully that this declaration ONLY applies to customers that have purchased a product from SABIC Petrochemicals B.V. SABIC customers that ship SABIC products into the EU as importer of record are themselves responsible for any obligations under REACH. SABIC will not act as or appoint an Only Representative.

Dear customer,

With reference to the EU REACH legislation article 67:

- ANNEX XVII (Updated on 15 December 2021)

A substance on its own, in a preparation or in an article, for which Annex XVII contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions.

ANNEX XVII listed substances are not intentionally added or expected to be present in **SABIC® PP 37M10R - 00900** with above the levels indicated in (Conditions of restriction). To the best of our knowledge, none of our raw material suppliers use these substances in the manufacture of their products. However, please note that we do not routinely analyze for substances not intentionally added.

The current ANNEX XVII listed substances can be found at the following link to the ECHA website: <https://echa.europa.eu/substances-restricted-under-reach>

Please be noted that this declaration only applies to **SABIC® PP 37M10R - 00900**, as it leaves its production facility. It does not cover any components, additives, pigments, etc., subsequently incorporated by the converters outside of SABIC. Also, be noted that compliance with these regulations should not be interpreted to guarantee that the product, will in fact perform in a particular application. Your technical service representative can help you determine that the characteristics of the product are compatible with the desired conditions of use.

Status of SABIC Product with respect to Per- and PolyFluorinated Alkyl Substances (PFAS)
