

NORYL™ Resin NH6010B

Europe-Africa-Middle East: COMMERCIAL

NORYL NH6010B resin is a high performance, modified PPE-PS blend that exhibits an excellent balance of lower smoke production upon burning, nonhalogenated flame retardance and low specific gravity. This grade can be processed via extrusion or injection molding. NORYL NH6010B is available in custom colors and may be an excellent material candidate for use in building and construction and electrical markets.
